15 - 17 JUNE 2027
TASHKENT, UZBEKISTAN

ECO EXPO CENTRAL ASIA —

The largest international exhibition bringing together producers of eco-friendly products, representatives of sustainable businesses, environmentalists, activists, and trade agents from around the world.

The event serves as a platform for exchanging experience and innovations in the fields of ecology, environmental protection, and sustainable development.

WHAT AWAITS YOU?

- **International Market Entry:** Participation of over 500 companies (including 150 international and 350+ domestic participants).
- **Effective Networking:** An opportunity to connect with 13,000+ business participants and conduct more than 20,000 B2B meetings for productive collaboration.
- **Market Expansion:** Access to a rapidly developing region that is actively implementing new eco-friendly and green technologies.
- **Prestige and Recognition:** National pavilions, large-scale international projects, and special events will help showcase your achievements and attract attention to your business.

WHY PARTICIPATE?

EcoExpo Central Asia 2027 — a platform for building promising partnerships and attracting investment.
Be the first to present your innovative solutions.

A PLATFORM FOR MEANINGFUL CHANGE

By participating in EcoExpo Central Asia 2027, you become part of the environmental transformation of Central Asia.
